## **Product Information Sheet**

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light

| sources  |                  |                              | 2015 with regard to energ  | 8,           |
|--|------------------|------------------------------|--|--------------|
| Supplier's name  | e or trade mark: | V-TAC                        |  |              |
| Supplier's addre   | ess: V-TAC Europ | e Ltd., bul. Rozhen          | 41, Sofia, BG  |              |
| Model identifie  | r: 10018         |                              |  |              |
| Type of light so   | urce:            |                              |  |              |
| Lighting techno  | logy used:       | LED                          | Non-directional or directional:  | DLS          |
| Light source cap-type  |                  | L/N/G cable                  |  |              |
| (or other electric interface)  |                  |                              |  |              |
| Mains or non-mains:  |                  | MLS                          | Connected light source (CLS):  | No           |
| Colour-tuneable light source:  |                  | No                           | Envelope:  | -            |
| High luminance light source:   |                  | No                           |  |              |
| Anti-glare shield:   |                  | No                           | Dimmable:  | No           |
|  |                  | Product para                 |  |              |
| Parameter  |                  | Value                        | Parameter  | Value        |
|  |                  | General product              |  | I            |
| Energy consumption in on-<br>mode (kWh/1000 h), rounded<br>up to the nearest integer   |                  | 20                           | Energy efficiency class  | F            |
| Useful luminous flux (φuse), indicating if it refers to the flux in a sphere (360°), in a wide cone (120°) or in a narrow cone (90°) |                  | 1 620 in Wide<br>cone (120°) | Correlated colour temperature, rounded to the nearest 100 K, or the range of correlated colour temperatures, rounded to the nearest 100 K, that can be set | 4 000        |
| On-mode power (P <sub>on</sub> ), expressed in W   |                  | 20,0                         | Standby power (P <sub>sb</sub> ),<br>expressed in W and<br>rounded to the sec-<br>ond decimal  | 0,00         |
| Networked standby power (P <sub>net</sub> ) for CLS, expressed in W and rounded to the second decimal                                |                  | -                            | Colour rendering index, rounded to the nearest integer, or the range of CRI-values that can be set   | 70           |
| Outer dimen-   | Height           | 114                          | Spectral power dis-  | See image    |
| sions without<br>separate con-<br>trol gear, light-<br>ing control   | Width Depth      | 127<br>28                    | tribution in the range 250 nm to 800 nm, at full-load  | in last page |

| parts and non-                           |                   |                      |       |
|--|-------------------|----------------------|-------|
| lighting con-                            |                   |                      |       |
| trol parts, if                           |                   |                      |       |
| any (millime-                            |                   |                      |       |
| tre)                                     |                   |                      |       |
| Claim of equivalent power <sup>(a)</sup> | -                 | If yes, equivalent   | -     |
|  |                   | power (W)            |       |
|  |                   | Chromaticity coordi- | 0,380 |
|  |                   | nates (x and y)      | 0,380 |
| Parameters for directional light s       | ources:           |                      |       |
| Peak luminous intensity (cd)             | 800               | Beam angle in de-    | 115   |
|  |                   | grees, or the range  |       |
|  |                   | of beam angles that  |       |
|  |                   | can be set           |       |
| Parameters for LED and OLED ligi         | ht sources:       |                      |       |
| R9 colour rendering index value          | 12                | Survival factor      | 1,00  |
| the lumen maintenance factor             | 0,96              |                      |       |
| Parameters for LED and OLED ma           | ins light sources | <b>5:</b>            |       |
| displacement factor (cos φ1)             | 0,90              | Colour consistency   | 6     |
|  |                   | in McAdam ellipses   |       |
| Claims that an LED light source          | _(b)              | If yes then replace- | -     |
| replaces a fluorescent light             |                   | ment claim (W)       |       |
| source without integrated bal-           |                   |                      |       |
| last of a particular wattage.            |                   |                      |       |
| Flicker metric (Pst LM)                  | 1,0               | Stroboscopic effect  | 1,0   |
|  |                   | metric (SVM)         |       |
